

2017 Spring Baseball / Softball / T-Ball with St. Bernadette CYO Program

St. Bernadette CYO is offering our spring program again this year. We are happy to welcome St. Andrew's, who will also be joining our forces while they rebuild their internal program.

We currently participate in Spring Track with the St. Andrew's program and host their runners in the fall for Cross Country.

We offer the following to St. Bernadette/St. Andrew school and parish children (we may also be able to offer the program to players from local parishes without a matching program presently, please email commissioners with questions):

K-2 intramural T-ball/Softball - \$75

Participants come from K, 1 and 2nd grade and the focus of the program is fundamentals and FUN. The kids practice one weeknight (possibly at St. Andrew's) and then have games Friday nights on our field with the Snack Shack open. Great fun for all and great intro to the sport. Season will run from the week of March 27th with "games" on Friday nights on the field from March 31st – June 9th except for Easter break. Deadline for registration is March 10th.

Girls' Archdiocesan Softball for 14U, 12U, and 10U players. - \$150

Season will begin early March for practices and games begin in April. Deadline for registration is February 25th.

RBBA Baseball with Rookie (3rd grade), Pee Wee (4th/5th grade), Midgets (6th/7th Grade), and Juniors (8th/9th grade). \$150

This is the same program we began last year and plan to continue with this year. Deadline for registration is February 25th.

We need all participants to sign up early so we can appropriately register our teams. We also ask those interested in coaching to sign up on the SportsPilot site- this includes St. Andrew's parents, as well. All coaches must be compliant with the Child Protection Policy. Questions may go to stbernadettecyo@gmail.com.

Commissioners:

- **David Bierwirth** for RBBA Baseball - david.bierwirth@american.edu
- **George Beck** for girls' softball - gbeck@ostglobal.com
- **Kelley Stone** for K-2 T-Ball/softball – stone3kids@icloud.com

Information regarding the Spring Track at St. Andrews will be forthcoming, but the season begins in March with practices roughly 2 times/week at Northwood H.S. and meets on Saturdays within about a 30mile radius.

Registration and fees can be found on our website at www.st-bernadettecyo.org.
