

CYO Basketball is Open

St. Bernadette CYO

Some answers to commonly asked questions:

Our CYO Program organizes a basketball program for parish and school athletes for several age groups. The program is designed to have both boys' and girls' teams except for our youngest players (K), who play co-ed for the first year.

There are multiple deadlines, because different age groups run different length seasons. There are different costs per age group, because cost analysis shows each age group runs at different costs due to gym time, and team cost.

All players will play in their appropriate age based league.

Evaluations are held for our 14U and 12U teams for A and B and C team placement. This is meant to place players and teams appropriately within the Archdiocesan system for the best competitive experience for the players. These will begin in next 2-3 weeks.

Commissioners: 3-12th Boys – Jack Devilbiss,
3-12th Girls – Keegin Teare, K-2nd – Matt Boylan

St. Bernadette CYO runs a basketball program for children in Kindergarten through 12th grade. Children who attend St. Bernadette School or are a baptized Catholic in our parish or a nearby parish without a CYO program are welcome to participate.

We welcome those willing coaches who are compliant with the Archdiocese Child Protection Policy.
